Appendix 1: Requirements for User Groups

Ealing Green (Methodist & United Reform) Church

'Outside' User Groups:

Requirements for Using the Premises during the SARS-Cov-2 Pandemic

The Managing Trustees have taken steps to make the premises safe for use. However, User Groups not run by Ealing Green Church are responsible for the safe operation of their groups and for ensuring the safety of people participating in their activities. Therefore, all these groups must carry out their own risk assessments and develop plans to show that they can operate safely.

The requirements set out below are intended to help user groups stay safe when using the premises at Ealing Green (Methodist & United Reform) Church.

1. Sarah Hunter, Church Office Manager (SJH) has been appointed the Responsible Person for Covid-19 health, safety & safeguarding as a single point of contact (with a delegated committee to support).
2. Prior to re-commencing operation, Group Leaders must provide the Trustees with a copy of their risk assessments and plans for safe operation showing how they will comply with government guidelines and any specific regulations applicable to their activity. Although the Trustees may comment on users' risk assessments and plans, their receipt of those assessments and plans should not be taken as indicating that the managing trustees have given their approval to those plans. Risk assessments must be reviewed regularly, and changes advised to the Church Office.
3. Windows in all rooms should be open to allow ventilation during sessions.
4. Group leaders should keep records of who attends their sessions for the purposes of NHS Test & Trace. Should any person attending the group become infected with Covid-19 they must follow NHS guidelines for self-isolation and testing and should inform the group leader if they test positive for Covid-19. If contacted by NHS Test & Trace the group leader must provide details of those persons the infected person may have come into contact with. The group leaders must also inform Sarah Hunter that they have done so.
5. Persons including group leaders should not enter the kitchen, unless it is an emergency.
6. On arrival and before departure group leaders should wipe clean door handles, light switches, and any surfaces that they or any person attending the group use or has used, including toilets/sinks and doors to the entrances and exits. Group Leaders must agree to adhere to this 'clean as you go' policy to ensure safety for all. Ealing Green Church will provide suitable cleaning materials.
7. All persons attending the group should sanitise or wash their hands upon arrival.
8. Adults and children aged 11+ should always wear a mask within the building (unless otherwise arranged with the Church Office Manager), groups must provide their own/spare masks.
9. All persons using toilets should sanitise their hands before doing so. This is to reduce the risk of people contaminating toilet handles and fittings. They should also wash their hands when finished.
10. While the Managing Trustees will provide hand sanitiser at entrances and outside or near toilets, User Groups should have their own hand sanitiser available. As time goes by, a small PPE charge may be requested, if necessary.
11. Group leaders will be asked to sign a fresh copy of the booking form, and provide a copy of their current public liability insurance, before their booking recommences.
12. As guidelines may change at short notice, all groups must agree to adhere to instructions from their own regulatory bodies, or given to them by the Church Office, as necessary.

EALING GREEN CHURCH – FIRE POLICY PROCEDURES

Emergency Plan for Evacuation

The purpose of this 'Emergency Plan' for evacuation of the premises in the event of fire is to instruct all visitors and work people upon what action to take in the event of a fire, so that everyone in the premises has ample time to make a speedy and orderly exit to a pre-determined place of safety. It is therefore most important that the 'Plan' is read and understood by all concerned. Being familiar with the design of the fire escape route and its built in protection is the best way for you to appreciate why it is important for you to follow the actions set out in the 'Plan'. EACH GROUP IS RESPONSIBLE FOR ITS' OWN SAFETY.

The Fire Escape Route

The front section of the building, which includes the Worship area, front Foyer and areas connected to the Reception, has two fire escape exits:-

- The main entrance to the foyer directly onto Ealing Green
- The rear exit from the worship area via the doors to the left & centre of the chancel area showing the fire exit signs, passing through corridor into Reception, turning left alongside church to Ealing Green.

The Kitchen, Reception, Office and Minister's vestry also form part of this section of the building. Persons using those areas can leave by either:-

- entering the main church and leaving via the front Foyer route;
or
- entering the Reception area and leaving the building via the doors leading to outside route to Ealing Green.

The rear section of the building, incorporating the Hall & stage area, Toilets, Office (2), Parlour, Rainbow room and Utility room has three means of escape:-

- The main doors giving egress from the front Foyer leading directly on to Ealing Green
- The fire exit doors in the Hall, turning left and following passage past Parlour leading to gate into Holinser Terrace.
- The single fire exit door at end of corridor beyond Utility Room, turning left and following route through gate into Holinser Terrace.

Fire extinguishers have been provided in various places throughout the building for use if it is safe to do so. (See Appendix 1)

- Fire Stewards are appointed to all areas in use during Church activities. Their role is to lead any action required in the event of an emergency.
- Independent building users provide their own Emergency Plan and Stewards.

Now you understand what steps have already been taken to assist your safe exit from the property it is your responsibility to carry out the following instructions.

EMERGENCY EVACUATION PLAN. FIRE STEWARD - Action on Discovering a Fire

If a fire starts in the area that you are responsible for and if it has not been detected by the sensor, you must: **PRESS A FIRE ALARM BUTTON**

- Make sure that everyone in that area is aware of the need to leave and do so as quickly as possible, not stopping to gather personal items.
- If you have time to turn off the power source to gas and electricity before leaving do so. If it places you at risk do not attempt to do it.
- **CLOSE** all doors in the area as you leave, especially ones leading to other occupied areas in the building, to keep the fire escape route safe for other people to use.
- Leave the building in an orderly manner.
- Assemble in the designated place of safety which is:

ON THE GREEN OPPOSITE FRONT OF CHURCH

Place of Safety

- Once you reach the place of safety try to identify the others assembled there and which people, if any, are missing. This and any information about those people will be helpful information for the Fire Brigade.
- You must not go back into the building until the Fire Officer in charge has given you permission to do so. Remember that no item is as valuable as your life.

This Emergency Plan should be reviewed annually or following alteration to any arrangements within the premises.

Updated July 2016.

Page BreakAppendix 1 Fire Extinguishers and Locations

4 types of fire extinguishers are available within the building, Water, Carbon Dioxide, Powder and Foam, which are all colour coded. Fire blankets can also be found in main kitchen and on stage. Water extinguishers are for use on general furniture containing wood, fabric etc. It must never be used to extinguish electrical source fires. Carbon Dioxide is safe to be used in a more general way including electrical sourced fires.

Whilst it is possible for a person to use an extinguisher to put out small fires before they present a greater danger no-one should try to do so if they are unsure of how to use the extinguisher or if their own lives would be put at risk.

Extinguishers are located at the following points within the building:

Water – Red with 2 white bands	Tea Bar at main front entrance to church Parlour, Hall – front of stage Corridor at rear fire exit
Foam – Red with white band	Corridor outside kitchen, Church near organ, Hall near Hatch
Powder – Red with blue band	Store – outside Boiler Room

9. YOUR LEGAL RIGHTS

Unless personal data is subject to an exemption under GDPR, such as it is subject to the prevention, investigation, detection or prosecution of a criminal offence, you have the following rights with regards to your personal data:

- Where **consent** is used as the legal basis for processing personal data, you have the right to withdraw consent to the data processing at any time. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent or processing carried out using an alternative legal basis such as **performance of a contract** or **legal obligation**;
- The right to request a copy of the personal data which the Local Church, Circuit, District or any other Methodist body, such as TMCP or the Connexional Safeguarding Team hold about you (commonly known as a “data subject access request”). request of erasure for specific legal reasons which will be notified to you, if applicable, at the time of your request.;

- Where consent or the performance of a contract is used as the legal basis for processing Personal Data, you have the right to **request the transfer** of your personal data to you or to a third party. We will provide to you, or a third party you have chosen, your personal data in a structured, commonly used, machine-readable format. Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you and this right is unlikely to apply to personal data held by us.
- The right to request for a restriction on data processing. This enables you to ask us to suspend the processing of your personal data in the following scenarios: (a) if you want us to establish the data's accuracy; (b) where our use of the data is unlawful but you do not want us to erase it; (c) where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or (d) you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it.;
- Where legitimate interest is used as the legal basis for processing Personal Data, you have the right to object to the processing of personal data where there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms. Note that in some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms;

Version 1.2 – 11th September 2019

Safeguarding Principles

Statement of Safeguarding Principles

Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Principles

We are committed to:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- the safeguarding and protection of all children, young people and adults when they are vulnerable
- the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.

We will carefully select and train all those with any responsibility within the Church, in line with Safer Recruitment principles, including the use of criminal records disclosures and registration with¹ the relevant vetting and barring schemes.

We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.

We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.

We will seek to challenge any abuse of power, especially by anyone in a position of trust.

We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or vulnerable adult.

In all these principles we will follow legislation, guidance and recognised good practice.

Safeguarding Children and Vulnerable Adults Policy for Ealing Green Church (Methodist & URC)

The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation of male and female in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Ealing Green Church is committed to the safeguarding and protection of all children, young people and vulnerable adults and affirms that the needs of children or of people when they are vulnerable are paramount.

Ealing Green Church recognises that none of us is invulnerable but that there is a particular care for those whose vulnerability is increased by situations, by disabilities or by reduction in capacities. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and seeks to affirm the gifts and graces of all God's people.

This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to be a dynamic policy. It is intended to support the Church in being a safe supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

Ealing Green Church fully agrees with the Connexional statement reiterated in *Creating Safer Space* 2007:

As the people of the Methodist Church we are concerned with the wholeness of each individual within God's purpose for everyone. We seek to safeguard all members of the church community of all ages.

Ealing Green Church recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual or institutional abuse or neglect. It acknowledges the effects these may have on people and their development including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the issues of promotion of welfare so that each of us can reach our full potential in God's grace.

Ealing Green Church commits itself to respond without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed, whether in the church or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust.

Ealing Green Church commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation and guidance and safe practice in the circuit and in the churches.

Ealing Green Church commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Ealing Green Church affirms and gives thanks for the work of those who are workers with children and vulnerable adults and acknowledges the shared responsibility of all of us for safeguarding vulnerable adults who are on our premises.

Ealing Green Church appoints the Rev Sue Male (& Elias Laichena) as Church Safeguarding Adults Representative(s) and Claire Southall as Church Safeguarding Children Coordinator and supports them in their role which is to:

- i) support and advise the Circuit and the Stewards in fulfilling their roles
- ii) provide a point of reference to advise on safeguarding issues
- iii) liaise with Circuit and District Safeguarding Coordinators
- iv) promote safeguarding best practice within the local church with the support of circuit ministers.

a) Purpose

The purposes of this safeguarding policy are to ensure procedures are in place and people are clear about roles and responsibilities for vulnerable adults in our care and using our premises. It is to be read in conjunction with the Methodist Safeguarding Handbook (2010).

b) Good Practice

We believe good practice means that:

- i) All people are treated with respect and dignity.
- ii) Those who act on behalf of the Church should not meet or work alone with a child or vulnerable adult where the activity cannot be seen unless this is necessary for pastoral reasons, in which case a written note of this will be made and kept noting date, time and place of visit.
- iii) The church premises will be assessed for safety for children and vulnerable adults and the risk assessment report will be given annually to the Church Council in written form. This will include fire safety procedures. The Church Council will consider the extent to which the premises and equipment are suitable or should be made more suitable.
- iv) Any church-organised transport of children or vulnerable adults will be checked to ensure the vehicle is suitable and insured and that the driver and escort are appropriate.
- v) Promotion of safeguarding is recognised to include undertaking those tasks which enable all God's people to reach their full potential. The Church Council will actively consider the extent to which it is succeeding in this area.

These things are to safeguard those working with children, young people and those adults who may be vulnerable.

c) Appointment and training of employees and/or volunteers

Workers will be appointed after a satisfactory DBS certificate. Each worker will be expected to undergo basic safeguarding training, within the first year of appointment. The other training needs of each worker will be considered (e.g. food hygiene, first aid, lifting and handling, etc.) and each worker will have an annual review conducted by a named member of the Church Council and another worker within the organisation.

- d) Pastoral visitors
In terms of safeguarding, Pastoral Visitors will be supported in their role with the provision of basic safeguarding training upon appointment.
- e) Guidelines for working with children, young people and vulnerable adults
A leaflet will be produced and reviewed annually to be given to each worker with vulnerable adults outlining good practice and systems. The leaflet will be reviewed annually with this policy [Church Councils may produce their own material or use appropriate Connexional leaflets].²
- f) Ecumenical events
Where ecumenical events happen on church premises, safeguarding is the responsibility of this Church Council.
- g) Events with church groups off the premises
Adequate staffing will be ensured for such events. Notification of the event will be given to Sarah Hunter, Church Office Manager.
- h) Other groups on church premises
Where the building is hired for outside use, the person signing the letting agreement will be given a copy of this policy and the leaflet. The lettings secretary will consider the various users of the building in making lettings³
- i) Complaints procedure
It is hoped that complaints can generally be dealt with internally by the organisations. However, a complaint may be made to persons who will be appointed by the Church Council and who is currently The Rev Susan Male and Claire Southall (with Elias Laichena). If a complaint is made to another person, it should be passed to The Rev Susan Male who will arrange to meet with the complainant and attempt to resolve the complaint. If the complaint cannot be resolved, consideration will be given to invoking the complaints system of the Methodist Church which will involve initially speaking with the Local Complaints Officer who is The Rev Rachel Bending.
- j) Review
This policy will be reviewed annually by the Church Council. The date of the next review is February 2021

² These have yet to be produced for vulnerable adults.

³ Such as the code of practice or the pocket guide.

k) Key concepts and definitions

- i) Vulnerable Adults: any adult aged 18 or over who, by reason of mental or other disability, age, illness or other situation is permanently or for the time being unable to take care of her or himself, or to protect her or himself from significant harm or exploitation.
- ii) Safeguarding and protecting children or vulnerable adults from maltreatment; preventing impairment of their health and ensuring safe and effective care.
- iii) Adult/child protection is a part of safeguarding and promoting welfare. This refers to the activity which is undertaken to protect children/specific adults who are suffering or are at risk of suffering significant harm, including neglect.
- iv) Abuse and neglect may occur in a family, in a community and in an institution. It may be perpetrated by a person or persons known to the child or vulnerable adult or by strangers; by an adult or by a child. It may be an infliction of harm or a failure to prevent harm.

Code of Safer Working Practice with Children and Young People

The code outlines the conduct that is expected of anyone undertaking duties with children and young people within the Methodist Church. The content of this code forms part of the Safeguarding Policy, Procedures and Guidance for the Methodist Church which are therefore required practice. The code applies to volunteers, paid staff, clergy, students on work placement, members and non-members working in a Methodist context. By complying with this code, you will help the Church to protect children from abuse and mistreatment and minimise the likelihood of unfounded allegations against those who are involved in youth work.

If you become aware of any breaches of this code within the Methodist Church, you must report them to your group leader, safeguarding officer or minister in pastoral charge as soon as possible.

Terminology used in this code:

the word 'child' refers to *anyone* [...] under the age of 18.

the term 'group leader' is used to refer to the person with overall responsibility for a group or activity, who is answerable to the Church Council/Circuit Meeting.

Required practice for anyone working with children and young people

You should:

- be aware of and understand the local safeguarding policy
- treat all children and young people fairly and without prejudice, discrimination or favouritism
- respect differences in gender, sexual orientation, culture, race, ethnicity, disability and faith and challenge behaviour that demonstrates discrimination, prejudice
- ensure that your own language, tone of voice and body language is respectful
- always aim to work with or within sight and hearing of another adult
- ensure that another adult is informed if a child needs to be taken to the toilet (toilet breaks should be organised for young children)
- ensure that children and young people know who they can talk to or contact if they need to speak to someone about a personal concern and encourage them to speak out if they feel uncomfortable or concerned. They should be made aware of organisations that can provide support.

- respond warmly to a child who needs comforting but this should not involve physical comfort e.g. cuddles.
- advise children, young people and their parent/carers/guardians in advance if any activity requires physical contact and provide an opportunity to opt out or agree alternative activities.
- administer any necessary first aid with others around
- obtain consent for any photographs/videos to be taken, shown or displayed via any medium. This should be from the parent, carer or guardian and the young person if 12 years or over. Images should not be taken or stored on personal devices.
- record any incidents that concern you or make you feel uncomfortable and give the information to your group leader in the first instance. Although you must also contact the church, circuit or district safeguarding officer immediately if you believe you have acted in a way which others may have interpreted as inappropriate or if a child has acted inappropriately towards you. Records must be signed and dated.
- always share concerns about a child or the behaviour of another worker with your group leader and/or the safeguarding officer.

You should not:

- Initiate physical contact and if this is initiated by the child, do not pull away abruptly but do so gently, so physical contact is for the minimum amount of time.
- invade a child's privacy whilst they are washing or toileting
- play rough physical or sexually provocative games
- use any form of physical punishment
- be sexually suggestive in the presence of or to a child, even as a joke
- touch a child inappropriately or forcefully
- scapegoat, ridicule, reject or ignore a child, group or adult
- allow abusive peer activities (eg initiation ceremonies, ridiculing or bullying)
- show favouritism to any one child or group
- allow a child or young person to involve you in excessive attention seeking that is clearly physical or sexual in nature
- give lifts to children or young people on their own or on your own.
- smoke any substance, vape or consume alcohol in the presence of children or when responsible for them
- provide personal contact details to a child or young person such as mobile number, email or social media contact.

- share sleeping accommodation with children
- arrange social occasions with children or invite them to your home outside of organised group occasions (other than with the consent of parent, carers or guardians and where at least one other adult is present)
- allow unknown adults access to children (visitors should always be accompanied by a known person)
- allow strangers and those who are not authorised to give children lifts.

Dress

You should dress appropriately when working with children and not wear anything revealing or that is not practical for carrying out the tasks as part of your role.

Gifts

There may be occasions when children give you gifts. It is polite to accept a gift but your group leader should be informed. If you receive any gift of significant value e.g. more than £15.00, you should talk with your group leader about whether it is appropriate to accept it. As a general rule, expensive gifts should not be accepted.

Whistleblowing

Speak out if you think any adult is or has behaved inappropriately towards a child. Speak to the group leader in the first instance if appropriate or alternatively a church, circuit or district safeguarding officer or statutory services.

Responding to child protection concerns

Do not try to deal with any child protection concern on your own. Always tell your group leader and/or safeguarding officer. Agree between you who will take what action and when.

If you are not sure if abuse of a child is involved, or if you have concerns about a child and you need someone to talk things over with, then again you should contact your group leader or church, circuit or district safeguarding officer. The local authority Children's Services Duty/Referral team are also a source of advice and support 24 hours a day.

Always make notes about a possible child protection incident or disclosure as accurately as possible, as soon as possible. These should cover what has happened, in what context, and anything that **seems** particularly significant. Quote the child's words exactly where possible. Take a note from the group records the child's full name, age/date of birth, address, telephone number and GP. Remember to sign the your notes and add your name, role, date of incident and date of the recording.

Ensure that all notes are kept in a safe and secure place.

If a child asks to talk in confidence do not promise confidentiality – you have a duty to refer a child/young person who is at risk to the statutory agencies. Always explain that you may have to get

other people to help to make sure they are safe.

- Try to stay calm and not appear shocked.
- Listen to the child attentively.
- Allow the child to talk but do not press for information or ask leading questions.
- Tell the child that they are not to blame for anything that has happened.
- Reassure the child that they were right to tell.
- Let the child know that other people will have to be told and why.
- Try to explain what will happen next in a way the child can understand.
- Reassure the child that they will continue to receive support when a referral has been made.

Immediate risk

- If you encounter a child in a situation where they are in imminent danger, you should act immediately to secure the safety of the child. Seek the assistance of the police and then make a referral to local authority Children's Services.
- If a child needs emergency medical attention, this should be sought immediately and directly from the emergency services. Parents/carers, if available, should be kept fully informed.

What to do if you suspect a child is at risk or has been abused

- Agree with your group leader or safeguarding officer, who will make the referral.
- Make an immediate telephone referral to the local authority Children's Services. Make it clear from the first point of contact that you are making a child protection referral.
- Describe the event or disclosure and give information about the child and family, eg the child's name, date of birth, address, telephone number and GP.
- Follow up your telephone call with a completed referral form (sometimes available on the local authority website) or letter. If there is no acknowledgement within 48 hours, contact them again until you receive a response.
- Remember that the child and family should, wherever possible, be informed about and consent to the referral unless this would put the welfare of the child or another person at further risk. If you have serious concerns, the absence of consent should not prevent a referral. The duty social worker will give you advice **on** this if necessary.
- Be prepared to have further discussions with the social work team or the police investigation team.
- Say if you do not want your details disclosed to the family.

- For out of hours referrals, call the emergency social work team or where urgent, the police.
- You may need support for yourself when dealing with a safeguarding incident, so do speak to someone about this but remember to maintain appropriate confidentiality.

Children and young people who self-harm or who have mental health needs

Some children and young people self-harm to help them express their emotions. Others may express thoughts of self-harm or suicidal intent. If any child or young person expresses thoughts of suicide, advice should be sought immediately. The group leader should be informed and discussions should take place about the need to inform parents/carers and involve other services. If the situation is not urgent, consideration should still be given to contacting parents/carers and referring to appropriate agencies who can offer support.

Vulnerable Children and Young People

Some children and young people are more vulnerable than others to being victims of child sexual exploitation, human trafficking and modern day slavery. If it is suspected that a child or young person is affected by any of these issues, the group leader should be informed and further advice sought from the DSO and statutory authorities.

Drug and Alcohol Use

Drugs and alcohol are strictly forbidden while participating in Methodist activities for young people. This applies to staff, volunteers, visitors, children and young people. If drug or alcohol use is suspected, the group leader must be informed and a discussion should take place about informing parents/carers. Consideration should be given to the need to inform the police and for a referral to appropriate support services.

Additional guidelines for group leaders

In addition to the above the group leader should:

- ensure **that** health and safety requirements are adhered to
- undertake risk assessments, *take* appropriate action in response to any identified risks or situations and *keep* records of any circumstances of concern
- keep the register and consent forms up to date
- Be aware, at all times, of what is taking place and who is present
- create space for children to talk – either formally or informally
- liaise with the safeguarding officer over good practice for safeguarding
- always inform the safeguarding officer of any specific safeguarding concerns that arise (the safeguarding officer will liaise with the DSO)

- liaise with the Church Council/Circuit Meeting.

Good practice guidelines for church-sponsored activities for children and young people

Special needs

Welcome children and young people with special needs to the group. Try to make the premises, toilets and access suitable for people with disabilities. Ask the parent/carer and the child or young person about how best to meet their needs, and do not see this as the responsibility only of the child's parent/carer. Monitor how the child /young person is managing and review this if necessary with the parent/carer and child/young person. If premises are being designed or refurbished, take the opportunity to anticipate the possible special needs of future children and adults; advice is available. Disability and equality legislation requires organisations to take reasonable steps to meet the needs of disabled people and this includes children.

Consent

Consent to participate in activities needs to be from a parent or person with parental responsibility. In addition to this, where consent to take, store or use images is sought, any young person who is 12 years or older should be asked for their consent, in addition to the person with parental responsibility. You should record who has given consent for any specific activity and retain any consent forms.

Records

As part of initial registration for an activity, the following details should be obtained and updated annually:

- name and address
- date of birth
- emergency contact details
- medical information
- any special needs including activities *in* which the child is unable to take part
- consent for emergency medical treatment
- Separate consent should be obtained for one-off events and activities (eg swimming) and also for outings, weekends away, etc.
- All personal details and consent forms must be stored securely and not shared with other children or adults unless it is legally permissible to do so. There is further information about when you can share information in the Safeguarding Policy, Procedures and Guidance for the Methodist Church.

- Consent for photography, video or film should be confirmed by completing the relevant form.

Any group that includes children under the age of eight that meets *for more than two hours a day* in England must register with Ofsted unless they are exempt, as detailed in Annex A of the *Early Years and Childcare Registration Handbook* www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england. It is an offence to provide such childcare without being registered or on premises that have not been approved.

Register

For all children and young people's activities, a register must be taken of those attending on each occasion. This should include:

- the date of the activity
- the type of activity
- a list of adults present
- a list of children/young people present.

Required staffing levels

It is the responsibility of the group leader to consider individual circumstances and arrange sufficient supervision to ensure the safety and effective management of all activities. The needs of the group, age, location, nature of activity and experience of staff should all be considered. Further information is available in Section 6 of the Safeguarding Policies, Procedures and Guidance for the Methodist Church.

Required Adult to Child Ratios (as recommended by the NSPCC)		
0 – 2 years	1 adult to 3 children	1:3
2 – 3 years	1 adult to 4 children	1:4
4 – 8 years	1 adult to 6 children	1:6
9 – 12 years	1 adult to 8 children	1:8
13 – 18 years	1 adult to 10 children	1:10

- Each group must have at least two adults and it is recommended that there should be at least one male and one female.
- If small groups are in the same room or adjoining rooms with open access between them

then it is possible to have only one adult per group, dependent on the nature of the activity.

- Young people who are being encouraged to develop their leadership skills through helping, should always be overseen by an appointed worker who will be responsible for ensuring that good practice and safeguarding procedures are followed and the work they are doing is appropriate to both their age and understanding. They should not be included in staff numbers for ratios unless they are over 18.
- Adults who assist on one or two occasions must be responsible to an appointed worker. Thereafter they should become part of the team and be properly appointed through the normal recruitment process.

Safe environment

Display, in a prominent place where children and young people can see it, both the Childline telephone number (0800 1111) and, for parents, the Family Lives number (0808 800 2222).

Undertake a risk assessment for each activity and in greater detail for an unusual activity or when away from the usual location.

Insurance, first aid kits and fire precautions should be checked and a health and safety check should be completed regularly with reference to the following minimum standards.

Venue

- Meeting places should be warm, well-lit and well ventilated. They should be kept clean and free of clutter.
- Fire exits should be checked regularly and clearly marked. The fire exits should not be blocked or obstructed.
- Electric socket covers must never be used as they present a safety hazard.
- Toilets and hand basins with hygienic drying facilities should be easily available.
- Appropriate space and equipment should be available for any intended activity.
- If food is regularly prepared for children on the premises, the facilities will need to be checked by an Environmental Health officer and a food handling and hygiene certificate acquired.
- Children's packed lunches should be kept refrigerated. Drinks should always be available.
- Groups must have access to a phone in order to call for help if necessary.
- Adults should be aware of the fire procedures. Fire extinguishers should be regularly checked and smoke detectors fitted throughout the premises. A fire drill should be carried out regularly.
- Unaccompanied children and young people should be discouraged from walking along dark or badly lit paths in or outside of the premises.

First aid kits and accident books

- A first aid kit and accident book should be available on the premises. The contents of the first aid kit should be stored in a waterproof container and be clearly marked. Each group should designate one worker to check the contents at prescribed intervals.
- All staff and volunteer workers should be encouraged to have some first aid knowledge and the church or circuit should encourage access to first aid training. There should be an adequate number of qualified first aiders and a list of first aiders should be compiled and kept available.
- All accidents should be recorded in an accident book.

E-safety

- Ensure **that** all electronic communications are appropriate and professional.
- If using e-technology as a group activity, ensure that an adult worker knows and understands what is happening within the group.
- Do not make any relationship with a child (other than family members) through a social networking site.
- Maintain a log of all electronic contact with individuals or groups including messaging and texting.
- Ensure that parents or carers are aware of what their children or young people are doing and have given their written permission in advance.
- When demonstrations are being given, plan beforehand to ensure that all websites visited have material that is appropriate for the age group taking part.
- Where children and young people are given access to undertake their own searches on the Internet, search engines are recommended by the Department for Education and Skills (see section 6.5.8.1).
- Children and young people should be regularly informed and reminded of safe Internet use and accessing social media. If they have any concerns or fears, they must be encouraged to access websites such as NSPCC or Childline or talk to an adult.

Transporting children on behalf of the church

Drivers

- All those who drive children on church-organised activities should have held a full and clean driving licence for over two years.

- Drivers who are not children's workers should be recruited for the task through the normal recruitment process.
- Any driver who has an endorsement of six points or more on their licence should inform the group leader and the church/circuit safeguarding officer.
- Any driver who has an unspent conviction for any serious road traffic offence should not transport children for the Church.
- Drivers must always be in a fit state (ie not overtired, not under the influence of alcohol, not taking illegal substances and not under the influence of medicine, which may induce drowsiness).
- Drivers of church-owned vehicles should provide a copy of their driving licence on an annual basis or provide consent and relevant details for a check to be made via the government website.

Private cars

- Children and young people should not be transported in a private car without the prior consent of their parents or carers. This also applies to formally arranged lifts to and from a church activity.
- All vehicles that carry children for church activities must be covered by a comprehensive insurance policy for both private and business use. They should have up-to-date road tax and where applicable, MOT.
- The insured person should make sure that their insurance covers the giving of lifts relating to church-sponsored activities.
- All cars that carry children must be in a roadworthy condition.
- All children must wear suitable seat belts and use appropriate booster seats. If there are insufficient seat belts, additional children should not be carried.
- At no time should the number of children in a car exceed the usual passenger number.
- There should be a non-driving adult escort as well as the driver. If in an emergency a driver has to transport one child on his or her own, the child must sit in the back of the car. A signed and dated record must be kept of the reasons for this.

Minibuses/coaches

- Before using a minibus, ensure you know the most up-to-date regulations for its use and have had a trial drive.
- Check your licence covers the vehicle group you are intending to drive.
- Workers/helpers should sit amongst the group and not together.

- If noise or behaviour appears to be getting out of control, stop the vehicle when safe to do so, until calm is restored.
